

SUMMARY OF STATE LAWS REQUIRING NOTIFICATION OF A SECURITY BREACH OF PERSONAL INFORMATION

(AS OF SEPTEMBER 24, 2009)

STATE	LEGISLATION	SECTION	EFFECTIVE	SUMMARY
Alabama	NO	--		
Alaska	YES	Alaska Stat. §§ 45.48.010 et seq.	July 1, 2009	<p>Requires a person that conducts business in Alaska and owns or licenses unencrypted or unredacted personal information, or encrypted personal information where the key has been accessed or acquired in any form to disclose a breach of security of an information system.</p> <p>Notice is not required if after an investigation and notice to the State Attorney General the person determines that there is no reasonable likelihood that harm has resulted or will result to the affected individuals.</p> <p>Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine the scope of the breach and restore the reasonable integrity of the information system.</p> <p>Substitute notice procedures permitted if cost exceeds \$150,000, more than 300,000 persons must be notified or insufficient contact information for notice.</p> <p>If more than 1,000 Alaska residents must be notified, the person must notify nationwide consumer reporting agencies of the timing, distribution and content of notices. Persons subject to the Gramm-Leach-Bliley Act (GLBA) are exempt from this requirement.</p>
Arizona	YES	Ariz. Rev. Stat. § 44-7501	December 31, 2006	<p>Requires a person that conducts business in Arizona and owns or licenses unencrypted computerized data to disclose after an investigation any incident of unauthorized acquisition and access to unencrypted or unredacted personal information to affected individuals.</p> <p>No notice is required if after an investigation the person determines that a breach has not occurred or is not reasonably likely to occur.</p> <p>Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine the nature and scope of breach, identify affected individuals or restore the reasonable integrity of the data system.</p> <p>Substitute notice procedures permitted if cost exceeds \$50,000,</p>

SUMMARY OF STATE LAWS REQUIRING NOTIFICATION OF A SECURITY BREACH OF PERSONAL INFORMATION

(AS OF SEPTEMBER 24, 2009)

STATE	LEGISLATION	SECTION	EFFECTIVE	SUMMARY
				more than 100,000 persons must be notified or insufficient contact information for notice. Exempts persons subject to GLBA or that comply with notification requirements or security breach procedures of their primary or functional regulator.
Arkansas	YES	Ark. Code Ann. §§ 4-110-101 et seq.	August 12, 2005	Requires a person that acquires, owns or licenses computerized data to disclose any breach of security to state residents whose unencrypted personal information (including medical information) was, or is reasonably believed to have been, acquired by an unauthorized person. No notice required if after investigation the person determines there is no reasonable likelihood of harm. Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine scope of the breach and restore integrity of system. Substitute notice procedures permitted if cost exceeds \$250,000 or more than 500,000 persons are affected.
California	YES	Cal. Civ. Code §§ 1798.29, 1798.80 et seq.	July 1, 2003; amendment effective January 1, 2008	Requires a person that conducts business in California and that owns, licenses or maintains computerized data to disclose a security breach to residents whose unencrypted personal information (including medical and health insurance information) was, or is reasonably believed to have been, acquired by an unauthorized person. Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine scope of the breach and restore integrity of system. Substitute notice procedures permitted if cost exceeds \$250,000 or more than 500,000 persons are affected.

SUMMARY OF STATE LAWS REQUIRING NOTIFICATION OF A SECURITY BREACH OF PERSONAL INFORMATION

(AS OF SEPTEMBER 24, 2009)

STATE	LEGISLATION	SECTION	EFFECTIVE	SUMMARY
Colorado	YES	Col. Rev. Stat. § 6-1-716	September 1, 2006	<p>Requires a person that conducts business in Colorado and owns or licenses computerized data to conduct a prompt investigation when it becomes aware of a breach of security of the system to determine the likelihood that unencrypted, unredacted or otherwise readable personal information about a Colorado resident has been or will be misused. Notice must be given to Colorado residents unless the investigation determines the misuse of information has not occurred and is not reasonably likely to occur.</p> <p>Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine the scope of the breach and to restore reasonable integrity of the system.</p> <p>Substitute notice procedures permitted if costs exceed \$250,000, more than 250,000 residents are affected or the person has insufficient contact information to provide notice.</p> <p>Exempts persons regulated by state or federal law that maintain procedures as required by their primary or functional regulator.</p> <p>If more than 1,000 Colorado residents must be notified, the person must notify nationwide consumer reporting agencies of the date of notice and number of residents to be notified.</p>
Connecticut	YES	Conn. Gen. Stat. § 36a-701b	January 1, 2006	<p>Requires a person that owns, licenses or maintains computerized data to disclose any breach of security to state residents whose unencrypted personal information was, or is reasonably believed to have been, acquired by an unauthorized person.</p> <p>No notice required if after an investigation and consultation with law enforcement the person determines there is no reasonable likelihood of harm.</p> <p>Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine scope of the breach and restore integrity of system.</p> <p>Substitute notice procedures permitted if cost exceeds \$250,000 or more than 500,000 persons are affected.</p>

SUMMARY OF STATE LAWS REQUIRING NOTIFICATION OF A SECURITY BREACH OF PERSONAL INFORMATION

(AS OF SEPTEMBER 24, 2009)

STATE	LEGISLATION	SECTION	EFFECTIVE	SUMMARY
Delaware	YES	Del. Code Ann. Tit. 6, §§ 12B-101 et seq.	June 28, 2005	Requires a person that conducts business in the state and that owns or licenses computerized data conduct a reasonable and prompt investigation when it becomes aware of a breach of security of the system to determine the likelihood that unencrypted personal information about a Delaware resident has been or will be misused. If the investigation determines the misuse of information has occurred or is reasonably likely to occur, notice must be given as soon as possible to the affected Delaware resident. Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine scope of the breach and restore integrity of system. Substitute notice procedures permitted if cost exceeds \$75,000 or more than 1,000 persons are affected. Exempts persons regulated by state or federal law that maintain procedures for a breach of the security of the system pursuant to the requirements established by its primary or functional regulator.
District of Columbia	YES	D.C. Code §§ 28-3851 et seq.	July 1, 2007	Requires a person that conducts business in the District that owns or licenses computerized data that includes personal information disclose a breach of the security of the system to any D.C. resident whose unencrypted personal information was or is reasonably believed to have been acquired by an unauthorized person. Written or electronic notice must be made in the most expedient time possible, without unreasonable delay, and consistent with the needs of law enforcement. Substitute notice procedures permitted if cost exceeds \$50,000 or more than 100,000 persons are affected, or the business does not have sufficient contact information. If more than 1,000 persons must be notified at one time, the business must notify the nationwide consumer reporting agencies of the timing, distribution and content of the notice. Exempts persons that comply with the breach notification provisions of the GLBA or that maintain their own notification

SUMMARY OF STATE LAWS REQUIRING NOTIFICATION OF A SECURITY BREACH OF PERSONAL INFORMATION

(AS OF SEPTEMBER 24, 2009)

STATE	LEGISLATION	SECTION	EFFECTIVE	SUMMARY
				procedures consistent with the D.C. act.
Florida	YES	Fla. Stat. ch. 817.5681	July 1, 2005	Requires a person that conducts business in the state and that maintains computerized data in a system that includes personal information disclose a breach of the security of the system to any Florida resident whose unencrypted personal information was or is reasonably believed to have been acquired by an unauthorized person. No notice required if after an investigation or consultation with law enforcement the person determines there is no reasonable likelihood of harm. Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine scope of the breach and restore integrity of system. Substitute notice procedures permitted if cost exceeds \$250,000 or more than 500,000 persons are affected.
Georgia	YES	Ga. Code Ann. §§ 10-1-910 et seq.	May 5, 2005	Requires an “information broker” that maintains computerized data to give notice of any breach of security to state residents whose unencrypted personal information was, or is reasonably believed to have been, acquired by an unauthorized person. “Information broker” is a person or entity who collects information on individuals for the primary purpose of furnishing that information to third parties. Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine scope of the breach and restore integrity, security and confidentiality of system. Substitute notice procedures permitted if cost exceeds \$50,000 or more than 100,000 persons are affected.

(AS OF SEPTEMBER 24, 2009)

STATE	LEGISLATION	SECTION	EFFECTIVE	SUMMARY
				<p>more than 500,000 persons are affected. If more than 1,000 persons must be notified, the data base owner must notify the nationwide consumer reporting agencies. If notice is provided to Indiana residents, disclosure also is required to the State Attorney General. Exempts financial institutions in compliance with the federal banking agencies' guidance issued on March 7, 2005. Also exempts entities subject to certain other federal laws.</p>
Iowa	YES	Iowa Code §§ 715C.1 et seq.	July 1, 2008	<p>Requires any person that owns or licenses computerized data that includes a resident's personal information used in the course of the person's business, vocation, occupation or volunteer activities and subject to an unauthorized acquisition that compromises the security, confidentiality or integrity of the information must provide notice to the state resident. Notice not required if after an appropriate investigation or after consulting with law enforcement, person determines no reasonable likelihood of financial harm to the consumers has resulted or will result from the breach. Delayed notice permitted if consistent with law enforcement needs, necessary to determine contact information for affected consumers, scope of the breach, and restore the reasonable integrity, security, and confidentiality of the data. Substitute notice procedures permitted if cost exceeds \$250,000, more than 350,000 affected persons, or insufficient contact information for affected consumers. Requires specified information to be provided in notices. Exempts persons in compliance with the GLBA.</p>

(AS OF SEPTEMBER 24, 2009)

STATE	LEGISLATION	SECTION	EFFECTIVE	SUMMARY
Kansas	YES	Kan. Stat. Ann. §§ 50-7a01 et seq.	July 1, 2006	Requires a person that conducts business in the state that owns or licenses computerized data that includes personal information to disclose a breach to any Kansas resident after an investigation determines misuse of unencrypted or unredacted personal information has occurred or is reasonably likely to occur. Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine the scope of the breach and restore the integrity of the system. Substitute notice procedures permitted if cost exceeds \$100,000, more than 5,000 persons are affected or the person does not have sufficient contact information to provide notice. Exempts persons regulated by state or federal law that maintain procedures as required by their primary or functional regulator. If more than 1,000 persons must be notified at one time, the person must notify the nationwide consumer reporting agencies of the timing, distribution and content of the notices.
Kentucky	NO	--		
Louisiana	YES	La. Rev. Stat. Ann. §§ 3071 et seq.; La. Admin. Code tit. 16, § 701	January 1, 2006	Requires a person that conducts business in the state or owns or licenses computerized data that includes personal information disclose a breach of the security of the system to any Louisiana resident whose unencrypted personal information was or is reasonably believed to have been acquired by an unauthorized person. Notice is not required if after reasonable investigation the person determines there is no reasonable likelihood of harm to customers. Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine scope of the breach, prevent further disclosures and restore integrity of system. Substitute notice procedures permitted if cost exceeds \$250,000 or more than 500,000 persons are affected. Exempts financial institutions that are subject to and in compliance with federal banking agencies' guidance issued on March 7, 2005.

SUMMARY OF STATE LAWS REQUIRING NOTIFICATION OF A SECURITY BREACH OF PERSONAL INFORMATION

(AS OF SEPTEMBER 24, 2009)

STATE	LEGISLATION	SECTION	EFFECTIVE	SUMMARY
				When notice is given to Louisiana residents, regulations require that written notice be provided to the Attorney General's Office within 10 days of distribution of the notice to Louisiana citizens, including the names of all affected Louisiana citizens.
Maine	YES	Me. Rev. Stat. Ann. tit. 10, §§ 1346 et seq.	January 31, 2006; January 31, 2007 with respect to persons other than information brokers; amendment effective September 11, 2009	<p>Requires an “information broker” that maintains computerized data to disclose after an investigation any breach of the security of the system involving unauthorized acquisition, release or use of an individual’s computerized data to state residents whose unencrypted or unredacted personal information has been or is reasonably believed to have been acquired by an unauthorized person.</p> <p>Requires any other person who maintains computerized data to disclose after an investigation any breach of the security of the system involving unauthorized acquisition, release or use of an individual’s computerized data to state residents whose unencrypted or unredacted personal information has been or it is reasonably possible will be misused.</p> <p>“Information broker” is a person who, for monetary fees or dues, engages in the business of collecting, assembling, evaluating, compiling, reporting, transmitting, transferring or communicating information concerning individuals for the primary purpose of furnishing personal information to nonaffiliated third parties.</p> <p>Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine scope of the breach and restore integrity, security and confidentiality of data in the system. Notice must be made within seven business days after law enforcement determines that notice will not compromise a criminal investigation.</p> <p>Substitute notice procedures permitted if cost exceeds \$5,000, more than 1,000 persons are affected or insufficient contact information for written or electronic notice.</p> <p>If more than 1,000 persons must be notified, the person must notify</p>

(AS OF SEPTEMBER 24, 2009)

STATE	LEGISLATION	SECTION	EFFECTIVE	SUMMARY
Massachusetts	YES	Mass. Gen. Laws ch. 93H, §§ 1 et seq.		<p>Requires any person or agency that owns or licenses data that includes personal information provide notice to any Massachusetts resident, the Attorney General, and the Director of Consumer Affairs and Business Regulation, when it knows or has reason to know of the unauthorized acquisition of unauthorized use of unencrypted data or encrypted data and key maintained by the person that creates a substantial risk of identity theft or fraud against a state resident.</p> <p>Notice is to contain information about how to request credit freeze and the right to obtain a police report.</p> <p>Delayed notice permitted if consistent with law enforcement needs. Substitute notice procedures permitted if cost exceeds \$250,000 or more than 500,000 persons are affected.</p> <p>Exempts persons that maintain procedures for a breach of security pursuant to requirements of federal laws, so long as notice is provided to the Attorney General and Director of Consumer Affairs and Business Regulation.</p> <p>Notice to consumer reporting agencies required upon direction by Director of Consumer Affairs and Business Regulation.</p>
Michigan	YES	Mich. Comp. Laws §§ 445.63 et seq.	July 2, 2007	<p>Requires a person that owns or licenses data in a database that includes personal information disclose any breach of security to any state resident whose unencrypted and unredacted personal information was accessed and acquired by an unauthorized person, or whose encrypted information was accessed and acquired by a person with unauthorized access to the encryption key, unless the person determines the breach has not and is not likely to cause substantial loss or injury or identity theft to state residents.</p> <p>Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine scope of the breach and restore integrity of system.</p> <p>Substitute notice procedures permitted if cost exceeds \$250,000 or more than 500,000 persons are affected.</p>

SUMMARY OF STATE LAWS REQUIRING NOTIFICATION OF A SECURITY BREACH OF PERSONAL INFORMATION

(AS OF SEPTEMBER 24, 2009)

STATE	LEGISLATION	SECTION	EFFECTIVE	SUMMARY
				<p>The act specifically exempts financial institutions, as defined in Title V of the GLBA and entities subject to HIPAA.</p> <p>If more than 1,000 Michigan residents must be notified at one time, the person must notify the nationwide consumer reporting agencies of the timing and number of notices.</p>
Minnesota	YES	Minn. Stat. §§ 325E.61, 325E.64	January 1, 2006	<p>Requires a person that conducts business in Minnesota and that owns or licenses data that includes personal information disclose any breach of security to any state resident whose unencrypted personal information was or is reasonably believed to have been acquired by an unauthorized person.</p> <p>Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine scope of the breach, identify individuals affected and restore integrity of system.</p> <p>Substitute notice procedures permitted if cost exceeds \$250,000 or more than 500,000 persons are affected.</p> <p>The act specifically exempts financial institutions, as defined in Title V of the GLBA and entities subject to HIPAA.</p> <p>If more than 500 persons must be notified at one time, within 48 hours the person must notify the nationwide consumer reporting agencies of the timing, distribution and content of the notices.</p> <p>Any person or entity conducting business in Minnesota that accepts access devices, such as credit, debit, or stored value cards, in connection with a transaction must not retain the card security code data or the full contents of any track of magnetic stripe data, subsequent to the authorization of the transaction and may not retain PIN data subsequent to 48 hours after authorization of the transaction.</p> <p>If a security breach occurs, the person or entity is liable for damages to the financial institution that issued the access device. It shall reimburse the financial institution for its costs in undertaking actions as a result of the breach in order to protect cardholder information or to continue to provide services to cardholders.</p>

STATE	LEGISLATION	SECTION	EFFECTIVE	SUMMARY
Mississippi	NO	--		
Missouri	YES	Mo. Rev. Stat. § 407.1500 et seq.	August 28, 2009	<p>Requires a person that owns or licenses personal information to provide notice to state residents of a breach of security if after an investigation and consultation with law enforcement the person determines that a risk of identity theft or other fraud to any consumer is reasonably likely.</p> <p>Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine contact information or scope of breach and restore integrity, security and confidentiality of system. Substitute notice procedures permitted if cost exceeds \$100,000, more than 150,000 affected consumers, consumers are unidentifiable or insufficient contact information.</p> <p>Exempts persons in compliance with the GLBA.</p> <p>If more than 1,000 persons must be notified, the person must notify the State Attorney General and nationwide consumer reporting agencies of the timing, distribution and content of the notices.</p>
Montana	YES	Mont. Code Ann. § 30-14-1704	March 1, 2006	<p>Requires a person that conducts business in Montana that owns, licenses, or maintains computerized data disclose any breach of security to any state resident whose unencrypted personal information was or is reasonably believed to have been acquired by an unauthorized person and which causes or is reasonably believed to cause loss or injury.</p> <p>Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine scope of the breach and restore integrity of system.</p> <p>Substitute notice procedures permitted if cost exceeds \$250,000 or more than 500,000 persons are affected.</p> <p>If a person that discloses a breach suggests, indicates or implies the individual may obtain a copy of his or her credit report from a consumer reporting agency, the person must coordinate with the consumer reporting agency as to the notice.</p>

SUMMARY OF STATE LAWS REQUIRING NOTIFICATION OF A SECURITY BREACH OF PERSONAL INFORMATION

(AS OF SEPTEMBER 24, 2009)

STATE	LEGISLATION	SECTION	EFFECTIVE	SUMMARY
Nebraska	YES	Neb. Rev. Stat. §§ 87-801 et seq.	July 13, 2006	Requires that a person that owns or licenses computerized data that includes personal information disclose a breach of the security of system data to any Nebraska resident after an investigation determines use of unencrypted, unredacted or otherwise readable personal information has occurred or is reasonably likely to occur. Delayed notice permitted if consistent with law enforcement needs or measures necessary to determine scope of the breach and restore integrity of the system. Substitute notice procedures permitted if cost exceeds \$75,000, more than 100,000 Nebraska residents are affected or insufficient contact information to provide notice. Exempts persons regulated by state or federal law that maintain procedures for a breach of security pursuant to requirements of their primary or functional regulator.
Nevada	YES	Nev. Rev. Stat. §§603A.020 et seq.	January 1, 2006; amendment effective January 1, 2010	Requires a data collector that owns or licenses computerized data that includes personal information disclose a material breach of the security of the system data to any Nevada resident whose unencrypted personal information was or is reasonably believed to have been acquired by an unauthorized person. Effective January 1, 2010, requires a data collector that accepts payment cards to comply with the current Payment Card Industry Data Security Standard (PCI-DSS). Data collectors not subject to the PCI DSS must use encryption to protect information that is either transmitted electronically or contained on a storage device that is moved beyond the logical/physical controls of the data collector. Data collectors will not be liable for security breaches where they comply with these standards and the breach is not caused by gross negligence or intentional misconduct of the data collector or its agents. “Data collector” includes any corporation, financial institution or other business entity that handles, collects, disseminates or otherwise deals with nonpublic personal information.
